**Author's Note:**

The **road** is a literary form that is similar to a poem but not quite the same as a poem.

The **road** is a fifty-word text-collage produced by means of chance operations.

The **road** is a semantic pathway leading to no particular semantic destination.

The **road** is not necessarily asemic, nor exactly pansemic, but perhaps post-semic.

The **road** is something that can be read, or not.
